MY RIGHTS

1. I can refuse to talk to police or answer their questions, unless I am in a bar or a cinema, driving a car, or they say I broke the law. In those cases, I must give my name, birthdate, and address, or show my ID, but I do not have to say anymore.
2. I can say “NO” if the police ask to search me or my things. Saying “NO” does not mean I have something to hide.
3. I can leave unless I am being detained or arrested.
4. If I am being detained or arrested, I have a right to know why, and a right to speak privately to a lawyer – without delay – even if I can’t afford to pay.
5. I can only be strip-searched in private and by officers of the same sex.
6. I have a right to know a police officer’s name and badge number.

7. I can report a police officer who abuses me, swears at me, or violates my rights.
